INGLESIDE GOLF CLUB'S 50TH ANNIVERSARY

The Ingleside Golf Club is celebrating its 50th Anniversary in 2012. The club was officially opened on May 1, 1962. Caln Township purchased the Course on March 15, 2007. On Friday, May 18 we will be holding a **50th Anniversary Golf Outing**. The cost per golfer will be \$25.00. The outing will be a scramble starting at 1 PM. On Saturday, May 19 we will be holding a Family Celebration at the Course. There will be music, food, a putting competition, moon bounces and more. Golf will cost \$19.62 for the entire day.

Check out page 4 of this newsletter or stop by the Course in 2012 to see the exciting things that we have going on. For more information call 610-384-9128.

WHAT TO DO WITH YOUR YARD WASTE?

RECYCLE YOUR GRASS CLIPPINGS

Grasscycling is the practice of leaving your grass clippings on the lawn rather than bagging them. As the clippings break down, they release moisture and nutrients into the soil. Grass clippings are 80% water - leaving them on the lawn will prevent excessive moisture loss and return water to the soil.

They decompose quickly and do not cause thatch. You can have a beautiful lawn using less water and fertilizer plus save time and money by leaving your grass clippings on the lawn.

What's more, grass clippings account for 75% of all yard waste, so leaving your grass clippings on the lawn helps save space in the landfill.

If you don't want to leave your clippings on your lawn, but still want to recycle them, you can bring them to the Caln Township Building, 253 Municipal Drive or Caln Park West, Kings Highway and drop them off in the designated bins. Grass clippings must be in a biodegradable bag. The clippings will be screened for trash and then composted.

BRANCHES/TWIGS

The Township offers a Chipping Program in both the Spring and Fall of each year. Each resident may sign up one time during both the Fall and Spring season (2 times total per year). This service is designed for routine clean-up and not meant to assist with clearing of properties and shrubs.

This program is for individual Caln Township residential properties only.

Items collected from outside the Township or through a private or commercial operation will not be processed.

Those residents that don't want to wait for the chipping program may bring branches to the drop off bin located behind the Township Building. Please follow the rules for what is accepted which is posted at the drop off bin.

For more information on the Chipping Program and to schedule a date for pick-up, please call 610-384-0600x120. **SPRING CHIPPING ENDS MAY 24.**

YOU CAN HELP CALN TOWNSHIP DETECT STREAM POLLUTION!

Caln Township, as well as many other communities in the Southeastern Pennsylvania region, recently was required to obtain a permit from the Pennsylvania Department of Environmental Protection for its storm drainage system. This permit required Caln Township to locate and map all stormwater piping and drainage ditch systems owned and maintained by the Township. The permit also requires the Township to inspect these drainage systems periodically to detect any "illicit discharges" from the systems.

What in the world is an illicit discharge? Simply stated, an illicit discharge is something that is exiting a storm drainage pipe or drainage ditch that is not stormwater and potentially could pollute our streams. Examples of illicit discharges that would be typical for a community like ours are septic system overflows, sanitary wastewater, chlorinated pool water, paints, oil or other vehicle fluids, etc.

While the Township inspects its drainage system thoroughly, our Highways Department personnel cannot be everywhere all the time. If you happen to see something exiting a storm pipe or ditch that looks, smells or feels like something other than stormwater, please contact the Township's Engineering Department so we can track it to its source and keep our streams as clean and pure as possible. To report an illicit discharge, call the Engineering Department or send an email to engineer@calntownship.org.

SUPPORT YOUR LOCAL CHAMBERS OF COMMERCE

Caln Township is served by two Chambers of Commerce. The Western Chester County Chamber of Commerce consists of Caln Township west of Barley Sheaf Road and 18 other surrounding Townships, Boroughs and the City of Coatesville. The Downingtown/Thorndale Regional Chamber of Commerce consists of Caln Township areas to the east and the Borough of Downingtown.

The Township has representation on both Chambers Board of Directors. Township Manager Greg Prowant is on the Western Chester County Chamber Board and is the Chairperson of the Regional Planning Committee. Assistant Township Manager Tony Scheivert is on the Downingtown/Thorndale Chamber Board and is on the Governmental Affairs Committee.

The Township supports both Chambers as much as possible. Recently the Township took a leading role on a Regional Economic Plan that was co-sponsored by the Western Chester County Chamber, the Coatesville Area School District and 7 of the 9 municipalities that make up the School District. The Township has also hosted events for both Chambers at the Ingleside Golf Club, sponsored luncheons and provided speakers for meetings.

Please support you local Chambers of Commerce by shopping at local stores. If you are a business please consider joining one of the local chambers.

Ingleside Golf Course
610-384-9128

INGLESIDE GOLF CLUB

Ingleside Golf Club is on a mission to bring golfers back to the game and back to the course. By introducing new programs, tournaments and activities for golfers of all levels, anything you are looking for in the game can be found at Ingleside. For those interested in getting better or learning how to play golf, there will be opportunities to do so through clinics and private lessons for men, women and children. Come by the golf shop to get reacquainted with the game, have a Thorndale famous KC Hot Dog, then challenge yourself on a golf course in excellent condition.

In 2012 we want you to "Follow the Gold to the Green" if you are a new golfer, junior golfer or if you just want to play a different course. Look for the gold tee markers for the Gold Course starting point. Follow these gold tee markers if you are new to the game, just starting the game or if you already play and are looking for a fun way to lower your handicap. This is a great place to learn the game of golf!

TIME FOR NINE

Come out and play nine holes for \$20.00. Walk or ride. Call 610-384-9128 to set up a tee time.

SPECIAL FAMILY RATE

Bring the family to the course to enjoy a peaceful game of golf before the week begins again. On Sundays after 12:00 PM, parents bring your juniors to the golf course and play a round of golf. With each adult that purchases a green fee at the Anniversary rate of \$19.62 the kids play FREE!

THROWBACK WEDNESDAYS

Take advantage of our Anniversary rate of \$19.62 and play 18 holes of golf with a cart.

FIVE FOR FIVE

Back by popular demand - Pay \$5.00 to play the first 5 holes after 6:00 PM. A cart is only another \$5.00.

Caln Community Day Saturday, September 8, 2012 10AM to 2PM

TownWatch - We Make a Difference!

Caln TownWatch is a group of your fellow citizens who are dedicated to keeping our children, property, neighborhoods, and community safe from crime.

Please join us in taking a measure of responsibility for the continued health of our community. The frequency, length and area of patrols are yours to define.

- Cruise the Township for an hour or so, one or two nights a month
- Stroll your neighborhood with friends once a week
- Keep an eye out at community softball, soccer and other sporting events
- Be alert while taking your dog on an evening walk
- Organize a neighborhood specific patrol
- Help with the child fingerprinting effort at community events
- Simply observe the street from the window over your morning coffee

All such activities are possible and very much valued.

If you would like to join TownWatch, please download an application at www.calntownwatch.org and drop it off at the Caln Police Department, send us an e-mail at volunteer@calntownwatch.com, or stop by and visit us at the TownWatch tent at community events.

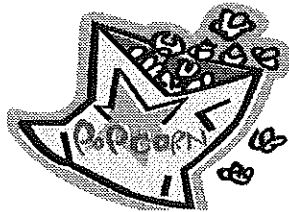

Caln TownWatch volunteers hold an administrative meeting at 7:30 PM on the second Monday of every month in the Caln Township Building. Please visit our website for more information and please feel free to join us at our next meeting.

Caln Senior News

After experiencing two "Titanic" meetings in March and April; namely Diane Albertson as a rescued steerage passenger from the Titanic and George and Gary Plumley with Sunset Park Gospel Music, we look forward to having Michelle Ullman from Longwood Gardens on May 9.

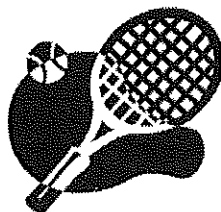

It is easy enough to join the Caln Privileged Citizens, all you have to do is attend our meetings on the second Wednesday of the month at the Caln Township Building. Meetings start at 1:30 PM. Coffee and donuts start at 12:30 PM. Membership chair is Peg Mowday.

The Group sponsors many trips throughout the year. On March 21 we traveled to the Dutch Apple Dinner Theatre and on May 3rd we traveled to the Rainbow Theater. Don't miss out on our upcoming trips to the Candlelight Theater and the Lancaster Host. Trip coordinator is Joyce Smith.

Caln Township Bird Walks

The third full year of monthly bird walks sponsored by Caln Township has been another success – both in turnout and in birds seen. Well over 100 participants have attended the walks, with a high of 47 on a single walk! And they were treated to some excellent finds. On our May walk, we discovered a Prothonotary Warbler – a first for Caln Township. On the 4-legged front, we were surprised to find a Mink feeding along the edge of Wedgwood Pond on our December walk.

Lloyd Park continues to yield a nice mixture of resident and migrating birds. Plus, the "Owl Prowls" at Lloyd Park have been truly spectacular. On one occasion, eight Screech Owls were located! Everyone there was treated to magnificent looks of these very elusive, nocturnal creatures. Elsewhere in the Township, the Woodcock fields along G.O. Carlson Blvd. held several of these amazing birds performing their unbelievable courtship flights in early spring.

So, come out and join the fun (see schedule below)! Just bring a pair of binoculars if you have them - we'll have a few binoculars to lend out, scopes, and field guides. You and your family or friends are certain to have a wonderful time enjoying the natural areas within Caln Township. It will be great exercise in the fresh air. The walks are free – sponsored by Caln Township.

To date, we have seen 168 bird species on our walks. The total species seen in Caln Township now stands at 195.

Schedule of Trips:

No reservations required on walks. Call Larry at Early Bird Nature Tours at 484-340-7672 with any questions. All trips meet and end at the designated park (unless otherwise noted) & go rain or shine - rainy weather often brings better birding. Wear waterproof hiking boots and bring binoculars.

THORNDALE FIRE COMPANY NEWS

Serving the Residents of Caln Township

Your Local Police, Fire & Ambulance Service Needs Your Help!

When you call for help we want to find your home quickly and easily. If your address is not clearly marked we are not able to do this. In an effort to help you display your house number so that we can easily locate your home day or night, the Thorndale Fire Company is selling reflective address signs. The signs have a bright green background with 4 inch white reflective numbers on both sides. The signs are custom made and can be oriented in either horizontal or vertical depending on your mounting needs and can be seen from either direction.

We recommend the signs be mounted on your mailbox post or on a separate post at the end of your driveway. We have found that mounting the sign at the end of your driveway is the most effective way to ensure that emergency responders can find your residence the quickest. Minutes can save a life!

If you have any questions regarding the address signs or placement of the signs please contact your local fire company at addresssignprogram@thorndalefirecompany.com or call us at 610-383-4835.

Thank you in advance for helping us help you.

SMOKE DETECTOR BATTERIES

As a reminder, if you have not changed the batteries in your Smoke Detectors or Carbon Monoxide detectors with the changing of the clocks please do so. If you do not have a functioning smoke detector we encourage you to purchase them. In the event you cannot afford a smoke detector and need one, please contact the fire department or Township codes office and we will make every effort to assist you in obtaining one.

To keep up on other activities that are happening with the fire company, we invite you to visit our web site at www.thorndalefirecompany.com. And as always if you have an interest in becoming a member of the fire company, please feel free to contact us at 610-383-4835 or 610-384-9802.

2012 ANNUAL FUND DRIVE IS UNDERWAY

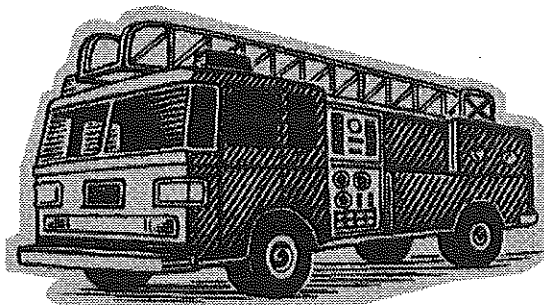

As a reminder to all our residents and business owners, the Thorndale Volunteer Fire Company 2012 Fund Drive is underway. For those of you in our community that have already responded to our fund drive, we thank you. If you have not yet sent your donation to the Fire Company for 2012 it's not too late. All donations are tax deductible and go directly to the emergency services operation of the Fire Company. Please remember that Thorndale Volunteer Fire Company, Inc. is a volunteer organization that needs your assistance to continue its existence. Help us so we can help you.

"NO OPEN BURNING" - Reminder

As we enter into the spring and summer seasons we again want to remind everyone, that Caln Township has a "No Open Burning" Policy and Ordinance in conjunction with the Clean Air Act prohibiting any open burning within the Township. Please contact the Township office for specific details.

LET US HELP YOU WITH YOUR PARTY NEEDS

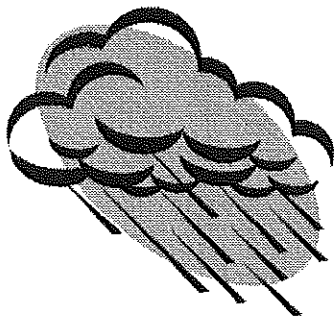

Just a reminder that if you are planning a party, Thorndale Volunteer Fire Company's banquet facility is available to help meet your needs. For information on renting the hall or scheduling your event please call Kirk Smith 610-269-2074.

Attention Public Sewer Customers Spring Reminder

Now that the weather will be getting nice, property owners are asked to inspect their own plumbing in order to identify illegal hookups and to remove any illegal connections to the public sewer system. For example, sump pump connections, floor drains, improper heights of sewer vent stacks and clean outs located in your yard which may be allowing surface water to run into the sewer system illegally. Illegal connections create an artificially high cost for sewer treatment. Currently the Township and Municipal Authority are doing all they can to stabilize and reduce high treatment costs by implementing a strict inflow and infiltration program to help stabilize and reduce these costs. Property owners can help reduce the amount of inflow and infiltration into the sanitary sewer by disconnecting illegal connections. Sump pumps which are harmlessly discharging outside onto the ground are not illegal and do not need attention.

Property owners should be aware that homes with illegal connections detected through other means (i.e.: dye testing, camera inspection) may ultimately be cited for being in violation of Resolution 2005-1-CTMA subsection 12A. This prohibits discharge of "any storm water, surface water, ground water, water from sump pumps or floor drains, roof runoff, subsurface drainage, cooling water or unpolluted industrial process waters." Penalties may be incurred as noted in Resolution 2005-1-CTMA subsection 35 which states, "violators may be punished by a fine of not less than \$100 and not more than \$1000 for each offense plus costs and attorney fees. Each separate building, each separate dwelling and each separate discharge in respect to which a violation occurs shall be deemed a separate offense."

FROM THE HIGHWAYS DEPARTMENT

SPRING LEAF AND YARD WASTE COLLECTION

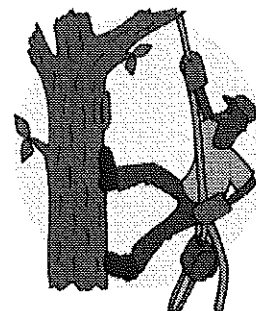

Monday, May 7 to Friday, May 11

The Highways Department will be collecting leaf bags throughout the Township from May 7th to May 11th. Leaves must be in biodegradable bags and cannot be mixed with yard waste of any kind. Bags that have branches and other yard waste will not be collected.

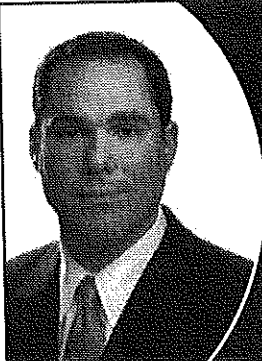

TREE TRIMMING ALONG ROAD RIGHT-OF-WAYS

The Township Highways Department will be cutting back overhanging branches, brush and vegetation from the Township roadways as required to maintain clear and passable roadways. Overhanging trees obstruct the roadway when they are weighed down by snow, creating difficult situations for our snow removal vehicles. Please check the road frontage of your property to see if your trees or shrubs may be overhanging the road or obstructing street signs. If you prefer to prune back your own trees or shrubs, please use the following guidelines.

1. Tree branches and bushes should be clear of the road edge by a minimum of (24") two feet and that clearance should extend to (10') ten feet in height.
2. New plantings, i.e trees, shrubs, etc. should not be planted within the road right-of-way! Please contact the Township Zoning Office for these specifications prior to planting to avoid excess work.

CALN TOWNSHIP WOULD LIKE TO THANK ALL OF ITS ADVERTISERS FOR ASSISTING WITH THE PUBLICATION OF THIS NEWSLETTER. IF YOU WOULD LIKE TO PLACE AN AD, KINDLY CONTACT TONY AT 610-384-0600, x148, FOR MORE INFORMATION.

OLD CALN HISTORICAL SOCIETY TO SPONSOR FLEA, CRAFT, ANTIQUE MARKET

Save the date - May 12, 2012 - 9:00 AM until 2 PM (Rain date - May 19)

You won't want to miss the Historical Society's Annual Market Day. This year there will be more vendors to share their crafts, antiques, and flea market finds. "Something for Everyone" is the day's motto. Many members and friends of the Old Caln Historical Society have cleaned out their closets and attics to donate many unique and useful everyday items. Local vendors of craft items have been contacted to participate, spaces are \$20. We invite everyone to stop by the grounds of the Caln Meetinghouse on Rt. 340 on Saturday, May 12, to see if any of these treasures will enrich your life. Prices will be moderate and a spirit of recycling will be in the air. Refreshments will also be available for purchase. Plenty of parking off of Caln Meetinghouse Road is available. See you there.

OCHS RELEASES NEW REPLICA

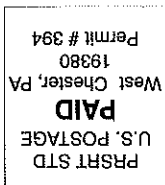

The Old Caln Historical Society is pleased to announce the release of the Isaac Coates House replica. This fieldstone house is located on North Caln Road. In 1728, Irish Quaker, Moses Coates, purchased 492 acres that were once a part of the original Penn Grant of 1681. The house was built in 1779 by grandson, Isaac Coates, Quaker Elder and joiner, by trade. The interior consists of original random width oak and poplar floors and partitions measuring up to 23 inches. In 1960, the fourth owner, the James E. Rosser family, purchased this Caln Landmark.

Replicas may be purchased at the Quik Stop Pharmacy, on the day of the Market Sale listed above, or by contacting Doreen at 610-383-4891. This is the thirteenth in a series of Caln Landmarks. Many previous releases are also available at \$15 each. They include the Thorndale Methodist Church, Taylor House, V.A. Hospital, Spring House Hill, Hexagonal School House, and others.
