It's a great time to visit Ingleside Golf Club!

Did you know that Caln residents save \$5 on 18 holes at Ingleside Golf Club?

Valid photo I.D. required

Short on time? Stop by after 7:00 PM to play 5 holes for just \$5!

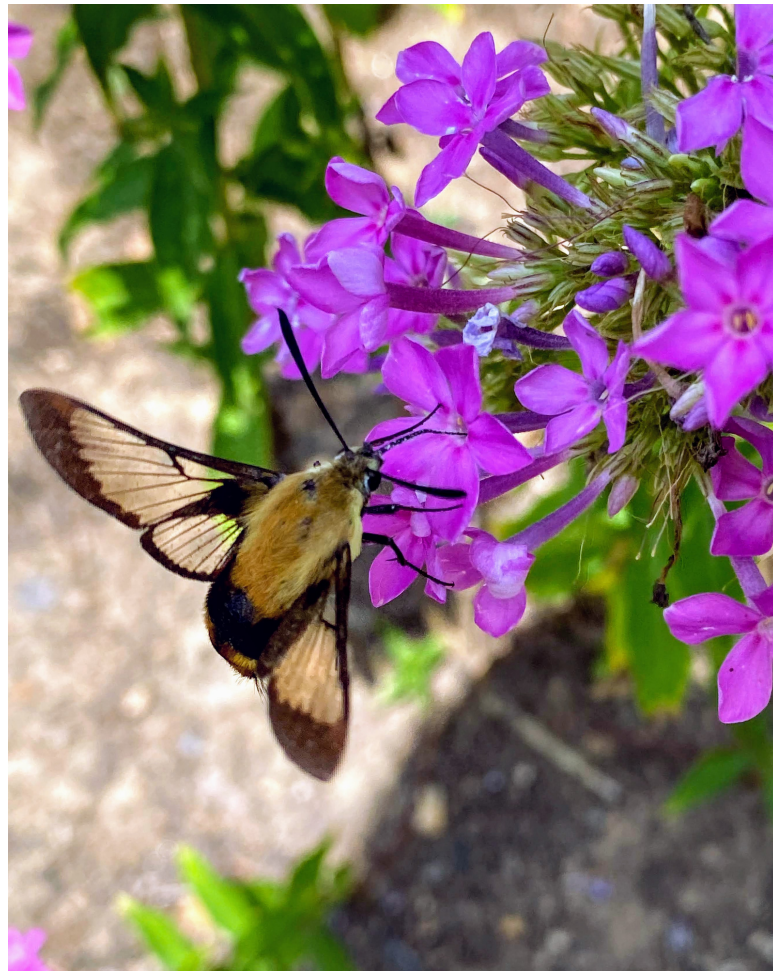

Visit GolfIngleside.com or call 610-384-9128 to book your tee time.

Flowers are blooming and bees are buzzing in our new Native Pollinator Garden at Caln Municipal Park!

Stop by the next time you're at the park and be on the lookout for butterflies enjoying the anise hyssop, summer phlox, ornamental onion, and mountain mint.

Thank you to the volunteers who are working to bring this project to life!

Because they are adapted to grow in our area, native plants provide a beautiful, low-maintenance landscape that supports our local ecosystem. To learn about adding native plants to your home garden, visit www.PANativePlantSociety.org

Senior Check-In Program

Caln Township Police Department continues to offer its Senior Check-In Program to provide peace of mind for seniors living alone. Each weekday we ask you to call into the police station before 10:00 AM to let us know that you are all right. If we do not hear from you we will call your home. If we don't get an answer we will send a police officer to check on you. During the weekends and holidays when the office is closed, we will have one of the officers call you in the morning. If there is no answer, a police officer will be sent to your home to check on you. If you live alone please take advantage of this important program.

To sign up, please call 610-383-1821 or email policeadministration@calntownship.org

These days, both businesses and households receive a LOT of cardboard! Thankfully, cardboard is one of the materials which is easiest to recycle - mostly back into more cardboard! So after you're done reusing those boxes (for storing holiday decorations, entertaining your cat, or making forts) be sure to break down your clean boxes for recycling. If they don't fit in your bin, they can be bundled and left next to it. Thanks for helping us keep this valuable resource out of the landfill!
