CALN Summer SERIES

FREE
ADMISSION!

Sing 2
June 17th
8:30 PM

Hook
July 1st
8:30 PM

Join Caln Township Parks and Recreation for our Summer Series movie nights! We'll enjoy the evening in Caln Municipal Park watching Sing 2 on June 17th and a classic - Hook on July 1st. Admission is free and we'll have free popcorn for everyone! Bring drinks and something to sit on. We hope to see you there!

Lending Libraries Added to Parks

Caln Parks and Recreation is excited to announce a fun new addition to our parks - two Pop Up Lending Libraries (PULL stations) from AHHAH (Arts Holding Hands and Hearts, Inc.). PULL stations can be found in Lloyd and Municipal parks and are fully stocked with lots of great kids' books! Special thank you to Commissioner Jane Kennedy for the idea, Parks and Rec members Helen Eckel-Wiener and Liz Malone for their artistic skills and our volunteer carpenter Tom Parr who made the stations fit for purpose! Thanks also to the wonderful volunteers who have stepped forward to monitor the stations.

Caln Community Day Returns!

Please save the date for our 14th annual Caln Community Day! After a 2-year hiatus, this year's Community Day event will take place in Caln Municipal Park on September 10th from 3:00 PM - 8:00 PM.

If your business or organization is interested in being a sponsor or vendor, please contact Abbey at aswan@calntownship.org or 610-384-0600 x148.

Can't wait to see you there!

Schoolhouse and Meetinghouse Tours

Sunday, July 3rd - Come and visit the Caln Hexagonal School House and the Old Caln Meetinghouse to learn about these fascinating structures, as well as some interesting Caln Township history! The Caln Township Historical Commission offers tours of the Schoolhouse and the Old Caln Historical Society offers tours of the Meetinghouse and museum on the first Sunday of each month, May through October, from 1:00 PM - 3:00 PM. Tours are free and all are welcome!

2022 Road Program Announced

The following roads have been approved as part of the 2022 road paving program:

- Loomis Ave (from Miller to Lincoln Hwy)
- Broad Street (from Warren to Lincoln Hwy)
- Warren Ave (from Seltzer to end)
- Ambrose Ave (from Warren to beginning of private road)
- Seltzer Ave (from Whissell Drive (northern end) to Lincoln Hwy)
- Paul Nelms Drive
- Two spots on Fisherville Road (near intersection with hospital driveway and intersection with King's Grant entrance)
- Spackman farm driveway and parking area

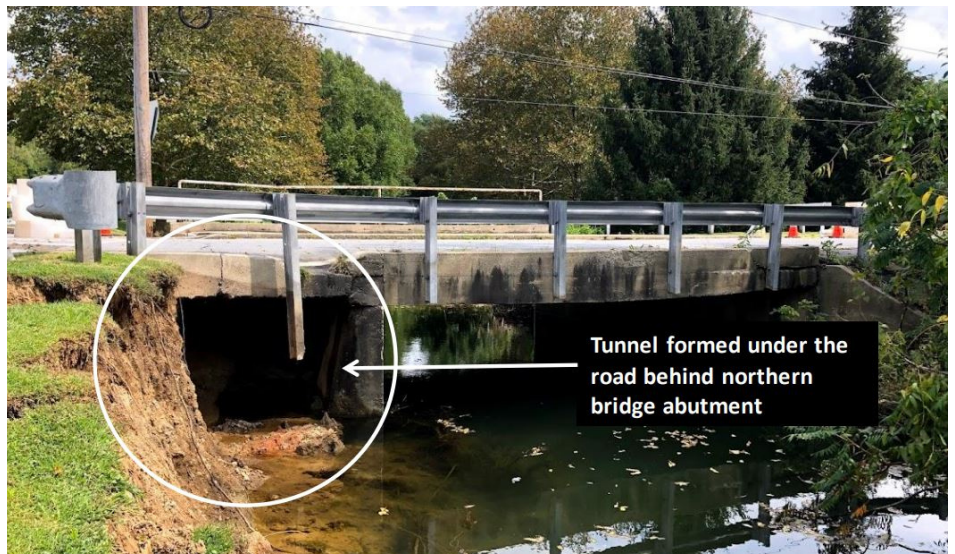

The paving schedule is still to be determined, check back soon for more information.

Municipal Drive Bridge Update

This bridge received significant damage to the structure itself, supporting structures, and surrounding soils during Hurricane Ida. Due to safety factors, the bridge was immediately closed and barricaded. Within a week, evaluation of the bridge by Township consultant engineering firms began, as did FEMA notifications of damage and a process to request funding for repair or replacement.

The process of evaluation for repair or replacement involves multiple studies, outside agency permit document development, and drafting a design based on those studies. Early on, it was evident that repair was not an option, and that a full replacement of the bridge was necessary to ensure not only safety, but to account for current conditions and stability of the structure for years to come.

Currently, the needed studies continue, drafting of design documents is ongoing and required bidding documents are being written. This process includes multiple agencies; FEMA, DEP and Army Corp of Engineers to name a few. While it is still too early to definitively predict a date that replacement will be completed, the target date for completion is March of 2023.

Next steps:

- The township engineer will complete the bidding documents and the Board of Commissioners will vote to advertise the bid opening
- The engineer will review received bids and recommend a contract for Board of Commissioners' approval, which will include a project schedule
- The selected contractor will be given notice to proceed and they will begin work on the project

Upcoming Events at the Coatesville Library

See the full list of upcoming events at <https://ccls.libcal.com/calendar/Coatesville>
