Caln Privileged Citizens Celebrate 50th Anniversary

Last month, the Caln Privileged Citizens celebrated the group's 50th anniversary and recognized its members over 90 years of age! Township Manager Kristen Denne, Police Chief Joe Elias, Old Caln Historical Society president Dawn Coughlan, Representative Dan Williams and staff from Senator Katie Muth's office were on hand to present citations and celebrate the milestones. Interested in joining this fun group? All Caln Township residents 60 and over are welcome! Meetings are held the second Wednesday of each month at 1:00 PM at the Good Shepherd Lutheran Church.

Tennis Court Improvements

This summer, Public Works crews will be performing badly-needed updates on the tennis courts in Caln Municipal Park. In June, the old posts and nets will be replaced and the courts will be closed for a couple of days to allow the new concrete to set. Then, the week of August 21, the courts will be completely resurfaced. The new color scheme (also used by the U.S. Open) maximizes visibility and reflects more sunlight, making for a cooler, more environmentally-friendly courts. We'll also be adding contrasting lines for pickle ball! Signs will be posted to alert park users when the courts are closed.

Above: A sample of the updated design - the pickle-ball lines are in light blue and the tennis lines are in white.
