We're excited to announce our 2020 Holiday Decorating Contest. Let's make 2020 Caln's most festive year ever! Participants are required to have their lights and animation in operation between 7:00PM and 9:00PM December 14-18th for judging purposes. Parks and Recreation volunteers will select the best house in each of four categories: "Best Use of Lawn

Retirement News

Please join us in congratulating two of Caln's longest-serving public servants on their retirement from the township.

Barry Beach began working for the Caln Township Police Department in May of 1977 and retired as a Police Sergeant in 2011. He has been serving as a part time police administrative aid ever since.

Officer James Shaw was hired in May 1987 and recently celebrated 40 years of police service in the Commonwealth of Pennsylvania. Officer Shaw was also named 2019 Police Officer of the Year.

We wish you both a happy retirement!

COVID-19 Precautions

With COVID-19 infections on the rise in our area, it is important that we stay vigilant about social distancing, mask wearing, and hand washing. We all need to be taking precautions to keep our friends and family members safe over the holidays.

Don't let COVID be the uninvited guest at your Thanksgiving table. The safest way to celebrate this year is virtually or within your household. If you do plan on celebrating, keep your gathering small - think small, consistent, and local. Consider each guest's personal exposure and then consider each guest's personal risks. Be flexible and be assertive. It's okay to say no. It's okay to change or adapt your plans. Stay safe, Stay Healthy - Read Chester County's full Holiday guidance at <https://bit.ly/ChescoHoliday>

Don't Let COVID-19 Be the Uninvited Guest at Thanksgiving This Year

Think about who is normally at your Thanksgiving table- and answer a series of questions to determine the potential risks of your gathering.

- Do you have a vulnerable person at your family table?
- Are guests traveling from hot spots?
- Are some guests not following public health prevention guidance?

If the answer to any of those questions is yes, you should reconsider bringing those guests into your home.

Safe Prescription Drug Disposal

While Caln Municipal offices, including the Police Department, remain closed to the public at this time, you can still help stop prescription drug abuse by dropping off your expired, unused or unwanted medications for safe disposal at the Thorndale CVS or Wallace Ave. Rite Aid.
