Upcoming Developments

3205 Lincoln Highway (Former Kmart building)

- On Planning Commission agenda for October 18.
- Phase 2 (Pad Sites) - Land Development Plan submitted, reviewed, and awaiting response.
- Phase 1 (existing building) - Grading and stormwater permit approved.
- Conditional Use application approved in November 2021.

All-Fill, Inc. (4060 & 4102 Edges Mill Rd)

- Conditional Use Hearing scheduled for October 27 @ 6:00 PM.
- Land Development Plan submitted and under review. Scheduled for Planning Commission meeting on October 18.
- Applicant submitted a sketch plan for review by the Township Engineer and the Planning Commission. The plan proposes to consolidate tax parcels 39-1-114 and 39-1-114.1, construct a new shared driveway entrance off of Edges Mill Road, and to construct a new 41,000 sq ft flex building with parking in the front and loading areas in the rear.

Leaf Vacuuming

- Leaf vacuuming will begin the week of October 24. Rather than bagging your leaves, you need only rake them to the front of your property, immediately adjacent to the road's edge. Leaves must be as close to the road's edge as possible and not obstructed by vehicles. Please DO NOT rake leaves into the street as leaves could get washed into storm inlets during inclement weather or can freeze to the roadway as we get cooler temperatures.
- Below is the schedule for this season's leaf pickup:
 - Township leaf vacuuming begins "week" of the following dates
 - Week of October 24th and Week of November 7th for the Monday and Tuesday Trash Customers.
 - Week of October 31st and Week of November 14th for the Wednesday and Thursday Trash Customers.
 - Week of November 28th and Week of December 5th (Township Wide Clean Up)
 - There is no appointment necessary for this service

Leaf Bag Collection

In addition to leaf vacuuming, A.J. Blosenski will again be collecting leaves that are placed at the curb in biodegradable bags as part of the bi-weekly Yard Waste Collection Program.

- Remember - leaves that are placed in bags that are NOT biodegradable bags will not be collected.
- PLEASE HAVE BAGS OUT AT THE CURB NO LATER THAN 5:00 AM on your yard waste collection day

Caln Township Police Department News

Just Ask Blue (J.A.B.)

Caln township Police - Youth Mentoring Program

It shouldn't come as a surprise that many young people just don't trust cops. Or that young people who lack good role models and guidance make bad choices, sometimes leading to criminal behavior.

For this very reason, the Caln Township Police Department is partnering with schools in our community to provide the role models and mentoring these young adults need, all to change lives, save at-risk youth from the consequences of criminal behavior, and improve public safety at the same time.

Our focus is to humanize the badge, address concerns of our young people, and build relationships to help our young people stay on, or get onto, the right path in life. Saving them from the consequences of criminal behavior can go a long way toward leading successful, productive lives and reducing crime in the community.

J.A.B. Program goals:

- Provide a way to work out negative feelings in a safe manner, as well as a forum for discussion of important issues;
- Strengthen bonds with young people in the community;
- Promote the prevention of juvenile crime by building relationships;
- Address concerns about the school-to-prison pipeline;
- Prevent substance abuse and promote a healthy lifestyle;
- Discuss the question of "what if..." which haunts many individuals whose bad decisions led to jail.

For more information, and to partner with the Caln Township Police Department J.A.B. Youth Mentoring Program, please call 610-383-1821.

Rechargeable Batteries

Rechargeable Batteries should never go in your recycling or trash bins because they can cause fires, damage machinery, and put staff in danger. Stores like Home Depot, Lowes, and Staples offer free, safe recycling for rechargeable batteries.

Single-use batteries can be thrown in the trash.

Upcoming Events at the Coatesville Library

See the full list of upcoming events at <https://ccls.libcal.com/calendar/Coatesville>

- Preschool Nature's Explorers – "Creepy Creatures!"
 - Tuesday, 10/11 at 10:30 AM. Indian Run Environmental Education Center will present a fun program with live animals! This program is for ages 2-5.
