Leaf Vacuuming

- Leaf vacuuming will begin the week of October 24. Rather than bagging your leaves, you need only rake them to the front of your property, immediately adjacent to the road's edge. Leaves must be as close to the road's edge as possible and not obstructed by vehicles. Please DO NOT rake leaves into the street as leaves could get washed into storm inlets during inclement weather or can freeze to the roadway as we get cooler temperatures.
- Below is the schedule for this season's leaf pickup:
 - Township leaf vacuuming begins "week" of the following dates
 - Week of October 30th and Week of November 13th for the Monday and Tuesday Trash Customers.
 - Week of November 6th and Week of November 27th for the Wednesday and Thursday Trash Customers.
 - Week of December 4th and Week of December 11th (Township Wide Clean Up)
 - There is no appointment necessary for this service

Leaf Bag Collection

In addition to leaf vacuuming, A.J. Blosenski will again be collecting leaves that are placed at the curb in biodegradable bags as part of the bi-weekly Yard Waste Collection Program.

- Remember - leaves that are placed in bags that are NOT biodegradable bags will not be collected.
- PLEASE HAVE BAGS OUT AT THE CURB NO LATER THAN 5:00 AM on your yard waste collection day

Fire Prevention MONTH

"Learn the Sounds of Fire Safety"

- Hear a BEEP, get on your feet. Get out and stay out. Call 9-1-1 from outside.
- Hear a CHIRP, make a change. A chirping alarm needs attention.
- Replace the batteries or the entire unit if it's over 10 years old.
- Test all smoke alarms at least once a month.
