

## **COMMERCIAL RECYCLING PROGRAM**

Caln Township is offering small and medium size businesses the chance to recycle through the township's recycling collection process, with the township's contracted recycling hauler. The cost is \$15.00 per month per 65 gallon recycling container issued.

Service will include having recycling containers picked up at your place of business and properly recycled. If you need additional containers, you must pay an additional \$15.00 monthly fee for each container that is issued to your business.

Your business will be billed bi-monthly (6 times per year) in the amount of \$30.00 (per container), the cost for two months. Payment is due by the last day of the month in which the bill is issued. After that date, a 10% penalty will be assessed. If you join this program in the middle of a billing cycle, you will be responsible to pay for the entire cycle (two months). It is your responsibility to notify the Township when you no longer wish to participate in this program.

The Township's recycling hauler will collect recyclables every week beginning at 6:00 AM on your scheduled collection day.

## No refuse will be collected under this program. You must contract with a hauler separately.
