The Pennsylvania Right to Know Law requires a response time within five business days. If access to the records I am requesting will take longer than this amount of time, please contact me to obtain my permission to extend the deadline and provide information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.
