Dear Resident,

Cain Township strives to keep fees as low as possible for all residents. However, at times we are forced to pass on increases. Therefore, the trash fee for 2019 will be increased by $12.00. The new rate is $42.00 each bill cycle and will be reflected in your March, 2019 bill. The cause of the increase is due to higher hauler and disposal costs.

A reminder that all recyclables should be placed together in your recycle container. Please increase your participation in recycling and recycle all eligible items. This will save the township disposal costs at the landfill which may result in keeping future trash fees increases to a minimum.

2019 Christmas Tree Collection Dates

Please remove all lights, tree stands and decorations from your tree and place it out at your trash & recycling collection point by 5:00 AM on the following days. Christmas trees in plastic bags will be collected.

Pick Up Schedule

Saturday, January 5, 2019
Friday, January 11, 2019
Friday, January 18, 2019
Friday, January 25, 2019
Friday, February 1, 2019

---

Thank you for this opportunity to serve you!
Spring Chipping Program, E-Waste Information, Large Item Collection and More

The Township will continue to offer its spring chipping program for large branches. This service is only intended for clearing up fallen branches in your yard and not for items cut down by a contractor. Each appointment scheduled will be limited to one (1) hour and strictly enforced. In order to accommodate the limited amount of appointments, we are asking residents who have more than 15 minutes of chipping to call a contractor for service. Call Township residents may call 717-394-5000.

CHIPPING PROGRAM GUIDELINES
• All branches must be neatly stacked outside (no cross-stacking) and no larger than 6" in diameter and no more than five (5) feet in length. Bundle branches so only what can be easily lifted by road crews can be collected. Non-woven trash bags will be disposed of properly.
• Appointments will be limited to 15 minutes and NO EXCEPTIONS.
• No stumps. Branches greater than 6" in diameter will NOT be collected.
• Appointment is not a commitment to your service; it is scheduling an on-site inspection. The Township will continue to offer its spring chipping program for large branches.
• Residents may use this service one time during the program period. Items collected from outside the Township or through a private or commercial operation will not be processed.

In an effort to stay on schedule and in fairness to the majority of participants, NO LATE SET-OUTS OR OVERSIZED PILES WILL BE ACCEPTED!

Time slots are limited, call early to reserve your appointment.

E-waste Information

By law, as of January 24, 2013, Eagle Disposal is no longer allowed to collect electronic waste. Covered devices include: desktop computers, laptop, monitors, computer peripherals (keyboard, mouse, printer and speakers); televisions or e-readers that browse the internet.

Because electronic waste can contain hazardous materials that are harmful to human health and the environment, it is very important that these devices are disposed of properly.

For additional resources on electronic recycling, please visit www.epa.gov, www.eiae.org, or the Trash & Recycling section of the Township website at www.caln.org.

Please check with local school districts, places of worship or charitable organizations to see if they have any e-waste recycling programs.

Eagle Disposal

Yard Waste and Grass Clippings Are... materials such as tree trimmings, shrubbery and other organic landscape vegetation not listed below.

How to Prepare Yard Waste
1. Place yard waste in biodegradable brown paper bags or bundle it with biodegradable twine in easy-to-handle bundles.
   • No more than 5 biodegradable bags of yard waste per collection.
   • No more than 15 biodegradable bags of leaves per collection.
   • No more than 4 bundles of branches per collection.
   • Bundles may not be longer than 5 feet in length.
   • Bundles may not weigh more than 30 pounds each.
   • Bundles may not exceed 17 inches in diameter and branches may not exceed 2 inches in diameter.

2. Once prepared, yard waste must be placed at the curb on scheduled pick up day before 5:00 am.

DO NOT place these items out for yard waste collection:

- Garbage
- Fruits & Vegetables
- Tree Stumps
- Dirt & Stones

Please prepare your yard waste properly. Yard Waste in plastic bags WILL NOT be collected!
