## Leaf Collection . . . . .

Leaf vacuuming will begin the week of October 26, 2020. Rather than bagging your leaves, you need only to rake them to the front of your property immediately adjacent to the road's edge.

Leaves must be as close to the road's edge as possible and not obstructed by vehicles.

Please DO NOT rake leaves into the street as leaves could get washed into storm inlets during inclement weather or can freeze to the roadway as we get cooler temperatures.

Below is the schedule for this season's leaf pickup:

### Township Leaf Vacuuming Begins "week" of the following dates

- Week of October 26th and Week of November 9th for the Monday and Tuesday Trash Customers.
- Week of November 2nd and Week of November 16th for the Wednesday and Thursday Trash Customers.
- Week of November 30th and Week of December 7th (Township Wide Clean Up)
- There is no appointment necessary for this service.

### Eagle Disposal Leaf Bag Pick-up

Besides leaf vacuuming, Eagle Disposal will again be collecting leaves that are placed at the curb in Biodegradable bags as part of the Yard Waste Collection Program. See calendar below for your scheduled collection days.

- Leaf Bags will be collected by Eagle as part of your Yard Waste collection program.
- No more than 15 biodegradable bags of leaves per collection.
- Leaf bags are NOT available for purchase at the Caln Township building. Bags can be purchased at local hardware stores.
- Leaves that are placed in bags that are not Biodegradable bags will not be collected.
- PLEASE HAVE BAGS OUT TO CURB NO LATER THAN 5:00 AM on your collection day.

In an effort to stay on schedule and in fairness to the majority of participants, NO LATE SET-OUTS WILL BE ACCEPTED!

The Covered Devices Recycling Act prohibits residents and businesses from placing their electronic waste at the curb or in their trash.

Covered devices include: desktop computers, laptops, monitors, computer peripherals (keyboard, mouse, printer, and speakers), televisions, or e-readers that browse the internet.

For more information on how to legally dispose of your electronic waste, please contact Eagle Disposal at 717-355-9560 or visit [www.eagledisposalofpa.com](http://www.eagledisposalofpa.com).

REV 2/2017

Dear Resident,

A reminder that all recyclables should be placed together in your recycle container. Please increase your participation in recycling and recycle all eligible items. This will save the township disposal costs at the landfill which may result in keeping future trash fee increases to a minimum.

We ask that residents bundle any excess cardboard that won't fit in your recycle container and set it next to your container in order to allow our crews to collect this material in an efficient manner.

# Fall Chipping Program, E-Waste Information, Large Item Collection and More

## Fall Chipping Program

The Township will continue to offer its fall chipping program for large branches. This service is only intended for cleaning up fallen branches in your yard and not for items cut down by a contractor. Each address will be limited to 15 minutes and strictly enforced. In order to accommodate the limited number of slots, we are asking residents who have more than 15 minutes of chipping to call a contractor for removal. Caln Township residents may call 610-384-0600 extension 140 beginning September 1st through September 30th to add their address to the list. Slots are limited, so it's important that you call early to add your address to the list. Please note: items placed at the curb not covered by the program or excess volumes of material will not be chipped.

### CHIPPING PROGRAM GUIDELINES

- All branches must be neatly stacked curbside (no cross-stacking), no larger than 6" in diameter and with cut ends facing the street. Road crews will not drive onto property or private lanes/road ways, nor will road crews go beyond the edge of the property to collect the branches.
- Each address will be limited to 15 minutes with NO EXCEPTIONS.
- No stumps. Branches greater than 6" in diameter will NOT be accepted.
- Vines, weeds, leaves, or yard waste will NOT be collected.
- Incorrectly stacked piles will NOT BE PICKED UP.
- NO LATE SET OUTS OR OVERSIZED PILES WILL BE ACCEPTED.
- THE PROGRAM IS FOR ROUTINE CLEAN-UP AND NOT DESIGNED TO ASSIST WITH CLEARING PROPERTIES OF TREES AND SHRUBS (I.E. TREES CUT DOWN AND PUT OUT FOR CHIPPING WILL NOT BE COLLECTED).
- This program is for individual Caln Township residential properties only. A resident may use this service one time during the program period. Items collected from outside the Township or through a private or commercial operation will not be processed.

In an effort to stay on schedule and in fairness to the majority of participants, NO LATE SET-OUTS OR OVERSIZED PILES WILL BE ACCEPTED!

Time slots are limited, call early to add your address to the list.

## E-Waste Information

By law, as of January 24, 2013, Eagle Disposal is no longer allowed to collect electronic waste.

**Covered devices include:** desktop computers, laptops, monitors, computer peripherals (keyboard, mouse, printer and speakers), televisions or e-readers that browse the internet.

Because electronic waste can contain hazardous materials that are harmful to human health and the environment, it is very important that these devices are disposed of properly.

For additional resources on electronic recycling, please visit [www.earth911.com](http://www.earth911.com), [www.chestercountyswa.org](http://www.chestercountyswa.org) or the Trash & Recycling section of the Township website at [www.calntownship.org](http://www.calntownship.org).

Please check with local school districts, places of worship or charitable organizations to see if they have any e-waste recycling programs.

## Bulk Item Guidelines

Caln Township residents may dispose of one (1) bulk item per week through curb side collection. Please have your waste, recycling and one bulk item available for collection at the curb by 6:00 AM on your scheduled collection day.

**Accepted Materials** - Appliances, furniture, mattresses, box springs, plumbing fixtures such as toilets and sinks, three (3) 4 foot rolls of carpet (tied).

**Unacceptable Materials** - Electronic waste (computers, televisions, etc.), chemicals, stains, liquids, batteries, automobile parts, hazardous waste, tires, tires on rims, commercial and industrial waste, construction materials (drywall, brick, block, lumber, shingles, tiles, concrete, etc.).

**Additional Instructions** - Items which are too heavy to be lifted into a truck by two people will not be accepted. Additional trash bags are NOT considered a bulk item.

### Recycling White Goods Containing Freon

White goods such as refrigerators may be picked up as a bulk item if the Freon is properly removed by the owner. If you would like for our hauler to pick up your white good that still has the Freon, contact Eagle Disposal at 717-355-9560. A \$55 fee will be charged by Eagle Disposal, for this service.

## Donate or Recycle Your Mattress

If you are buying a new mattress, consider asking if the vendor will take the old one and properly recycle it for you. Other options for getting rid of the old mattress is to try to recycle it or reuse it. If your mattress is in great condition, begin your search close to home:

- Ask family, friends, neighbors and co-workers if they or someone they know could use a good mattress.
- Ask places of worship (yours or others) if they are aware of any people that may be in need of a mattress.
- Contact a local shelter.
- You may place a mattress curb side as a bulk item on your collection day if you are not able to recycle or reuse it.

### \*\*\* AN IMPORTANT ANNOUNCEMENT FROM EAGLE DISPOSAL \*\*\*

**When in doubt... THROW IT OUT!**
