Hi All!

I wanted to let you all know that I have decided to step down from the EAC at this time. Things are getting unmanageable and this is the thing that has to be cut.

I am super sad and will miss everyone. I will stay updated tho and volunteer where I can!! So you should still see me around town.

Sorry for the abruptness. I meant to email earlier and time got away from me.

Sincerely,
Jo

Sorry everyone, one agenda update that I forgot to add: John McHugh and Jim Wylie are doing outreach to local EACs regarding clean energy goals for municipalities and have asked to present at the meeting. I'll add them to the end of the agenda. Thanks!

Hello all and Happy New Year!

A few reminders before our meeting next week:

- I've attached the draft minutes from December along with a meeting agenda.
- A large goal of the meeting will be to agree on some comments and questions to submit to the Planning Commission and project developers for 1. Habitat for Humanity and 2. Sheetz. If you have a moment to take a look at the scoring rubrics for either/both projects they're available here: [Plan Reviews](#)
- If you need to join remotely, the meeting link will be: [Environmental Advisory Council Meeting | Meeting-Join | Microsoft Teams](#) Meeting ID: 290 312 731 506 4
Passcode: jM3jq3MK

Please reach out with any questions!

Cheers,
Abbey
