**Subject:** Resignation from Caln Township Planning Commission

Dear Don Vymazal and Members of the Planning Commission,

I am writing to formally resign my position on the Caln Township Planning Commission, effective immediately, following my recent election to the Caln Township Board of Commissioners.

It has been a privilege to serve on the Planning Commission for the past eight years, including five years as Chair. While the Pennsylvania Municipalities Planning Code permits simultaneous service on both the Planning Commission and the Board of Commissioners, I believe that transparency, good governance, and prudence dictate that I step aside from the Commission as I transition into my new role.

I am deeply grateful to Don Vymazal, Ray Stackhouse for their guidance, leadership, and steady counsel over the years, and to Elizabeth Nagy for her professionalism, patience, and invaluable support to the Commission and the Township. I would also like to sincerely thank outgoing members Ken Simon and John Woodcock for their years of service and dedication to the Caln community.

To the surviving members—Jim Benko, Bill Schew, Michael Irwin, and Tom Parr—thank you for your continued commitment to thoughtful planning and responsible stewardship of the Township's future. It has been an honor to work alongside each of you.

Serving on the Planning Commission has been one of the most meaningful and rewarding

civic experiences of my professional life. I look forward to continuing to serve the residents of Caln Township in my new capacity on the Board of Commissioners and to supporting the important work of the Planning Commission from that role.

With sincere appreciation,

Adam Thomas

Caln Township Commissioner
