

# Fall Leaf Collection . . . . .

Leaf vacuuming will begin the week of October 28, 2024. Rather than bagging your leaves, you need only to rake them to the front of your property immediately adjacent to the road's edge. Remove sticks, rocks, garden materials, trash and other debris as these items will clog the machine and may cause damage to the equipment.

Leaves must be as close to the road's edge as possible and not obstructed by vehicles, low branches, trash carts, trees, fire hydrants, streetlights, and mailboxes.

Please DO NOT rake leaves into the street as leaves could get washed into storm inlets during inclement weather or can freeze on the roadway as we get cooler temperatures.

Below is the schedule for this season's leaf pickup:

## Township Leaf Vacuuming Begins "week" of the following dates

- Week of October 28th and Week of November 11th for the Monday and Tuesday Trash Customers.
- Week of November 4th and Week of November 18th for the Wednesday and Thursday Trash Customers.
