## 2020 Census Update

THANK YOU to everyone who has responded to the 2020 Census! Caln Township has officially topped our 2010 self-response rate with 73.4% of households responding. If you haven't had a chance to respond yet, it's not too late. Visit [my2020census.gov](https://my2020census.gov) or mail back in the paper census form you received. If you didn't receive or no longer have your census I.D. you can still visit the site above and enter your address. Remember, accurate census numbers are VITAL to ensuring that our community receives our fair share of resources!

# Caln Pride

We have been overwhelmed by the generosity, creativity, and thoughtfulness of Caln Township residents and businesses during these challenging times. We've collected images for an online "Caln Pride" gallery of the wonderful ways that you have responded to this crisis. You can see more examples at [www.calntownship.org/news/caln-pride-gallery](http://www.calntownship.org/news/caln-pride-gallery)

# Voting by Mail-in Ballot in Pennsylvania is

## NOW AVAILABLE!

[VotesPA.com/ApplyMailBallot](https://votespa.com/ApplyMailBallot)

If you'd like to vote by mail in the November election, the online mail-in ballot application is now available at [votespa.com](https://votespa.com).

The last day to request a mail-in or civilian absentee ballot is October 27th, but we recommend getting your request in ASAP.

The last day for County Boards of Elections to receive mail-in and absentee ballots is November 2nd (must be received by 8:00 P.M.).

You must be registered to vote to request a mail-in or absentee ballot. To check your voter registration or to register to vote, visit [votespa.com](https://votespa.com).

Questions? Feel free to contact [Chester County Voter Services](#) at 610-344-6410 or you can call the township at 610-384-0600 x148.

## Household Hazardous Waste Event

# Updates from the Police Department

Congratulations to Corporal Kevin Bernard for reaching a milestone in his career. June 11, 2020 marked twenty five years of service with the Caln Township Police Department. In addition to his duties as a patrol supervisor, Corporal Bernard serves as the department's firearms and defensive tactics instructor, First Aid/CPR instructor, and he is also the Deputy Commander of the Chester County Regional Emergency Response Team (SWAT).

The Caln Township Police Department has designated a "Safe Zone" meeting area in the parking lot at the front entrance of the Police Department to conduct safe online transaction exchanges. For added safety, this area is equipped with a 24 hour live surveillance camera. Look for the green "Meet up Spot" sign near the front entrance of the Caln Township Police Department.

Caln Township's Police Department Chief Joseph Elias joined other panelists (Chester County District Attorney Deb Ryan, Coatesville PD Chief Jack Laufer, South Coatesville Borough PD Chief Kevin Pierce, Valley Township PD Chief Brian Newhall and Chester County Sheriff Fredda Maddox) on July 1st at New Life In Christ Fellowship for a well attended Community - Police Partnership Forum. We thank PA State Representative Dan K. Williams for hosting the program and District Judge Gregory Hines for serving as the moderator. We also thank the many community members that attended and participated in person and on Facebook.

## Upcoming Development

- 50 Rock Raymond Rd. (Taco Bell) Requesting modification of conditional use to add second drive-through lane. Scheduled for conditional use hearing on July 30th.
- Behrle/The Villages at Hillview was granted final land development approval pending conditions.
- Dwell – Final PRD approved at May 28th BoC meeting.
- AGC Chemical - Land development for building expansion approved.
- Dunkin Donuts at 1895 Lincoln Highway - Drive-through conditional use granted, waiting on land development plan.

Check out our new web page for a full list of upcoming development projects with images and more information at [www.calntownship.org/upcomingdevelopments](http://www.calntownship.org/upcomingdevelopments)

## Spotted Lanternfly Update

Spotted lanternflies (SLF) are back with a vengeance again this year throughout the township. Some reminders:

- SLF is a destructive invasive pest threatening agricultural and ornamental plants.
- As of May 2020, 26 counties in Pennsylvania are under quarantine for SLF. SLF has also been found in 5 other states in the northeastern U.S.
- SLF does not bite or sting.
- SLF does not kill all trees it feeds on. SLF is a plant stressor that, along with other stressors, can cause significant damage to its host.
- Stop the spread of SLF by checking your car and any outdoor equipment (grills, mowers, firewood, etc.) when going in and out of the quarantine zone.
- Manage SLF on your property by scraping and destroying eggs, carefully using bands or traps on trees, removing preferred hosts, and using registered insecticides for control when appropriate.
- Please be extra cautious when attempting to trap or poison lanternflies since this may cause harm to birds, bats, and beneficial insects.
