

**CALN TOWNSHIP
CHESTER COUNTY, PENNSYLVANIA**

RESOLUTION NO. 2022-06

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF CALN TOWNSHIP, CHESTER COUNTY, PENNSYLVANIA, ADOPTING REVISIONS TO THE 2022 SCHEDULE OF FEES FOR ADMINISTRATION AND INSPECTIONS PERFORMED BY TOWNSHIP STAFF RELATING TO BUILDING PERMITS, ZONING PERMITS, LAND DEVELOPMENT, SUBDIVISIONS, STORMWATER, AND ANY OTHER PERMIT REQUIRED BY THE CALN TOWNSHIP CODE.

WHEREAS, the Board of Commissioners desires to establish the administrative fees, inspection fees, and required escrows for various permits and approval processes in order to reimburse the Township for its costs in administering and enforcing its building codes, Zoning Ordinance, Subdivision and Land Development Ordinance, and other chapters in the Caln Code which require inspections, reviews, and approval processes related to permits and other land development activities.

WHEREAS, Resolution 2022-06 as adopted will establish the 2022 Caln Township Fee Schedule, and revise Resolution 2021-28 that has been in effect; and

WHEREAS, the Caln Township Board of Commissioners are proposing modifications to the 2022 Caln Township Fee Schedule as shown in the attached document titled "2022 Caln Township Fee Schedule".

NOW THEREFORE, BE IT HEREBY RESOLVED that the Board of Commissioners of Caln Township, Chester County, Pennsylvania, adopts the 2022 Caln Township Fee Schedule, which is attached hereto and incorporated herein as Exhibit "A" to this Resolution.

Such fee schedule shall be effective immediately.

RESOLVED AND ADOPTED at a public meeting on this 27th day of January, 2022.

ATTEST:

Kristen Denne,
/Secretary

**ON BEHALF OF
CALN TOWNSHIP
BOARD OF COMMISSIONERS**

Paul Mullin, President

RESOLUTION ACTION RECORD

Resolution Type: Approved No. 2022-06
Pertaining to: Approving the 2022 municipal fee schedule
Duly adopted at a meeting of the Board of Commissioners held: January 27, 2022
Motion by: Commissioner Kennedy Seconded by: Commissioner Young

2022 CALN TOWNSHIP FEE SCHEDULE

- This fee schedule is for the administration and inspections performed by Township, Staff and Consultants relating to building permits, zoning permits and any other permits required by the Township Code.
- All permit fees are non-refundable.
- The minimum permit fee shall be submitted concurrent with the permit application.
- The hourly inspection fee for the Township Consultant Engineer and various consultants is on file with the Township Secretary.
- The inspection fee per hour for Code Inspectors employed by the Township shall be \$100.00 per hour. This inspection fee shall be known as the "Established Inspector Rate" for the purposes of this Fee Schedule.
- This fee schedule may be amended from time to time by Resolution of the Board of Commissioners.
- Payment of all applicable fees shall only be made at the Township Building and shall accompany the applicable permit application.
- For any and all projects, credit card payments for any and all permits and/or fees associated with the project shall include Township incurred transaction fee.
- Township invoices will include a three percent (3%) administrative fee for the Township.
- The Applicant shall pay all invoices within 30 days of the billing day; otherwise a one-and-one half percent (1 1/2 percent) per month interest charge will be assessed.
- ANY WORK COMMENCED WITHOUT A PERMIT WILL RESULT IN DOUBLE FEES.

RESIDENTIAL CONSTRUCTION

New residential construction – based on the gross square foot area of all new building space using the following calculation:

- New building space and all accessory spaces built at the time of the new construction at \$0.50/sf
 - Accessory spaces would include garage, basement (unfinished), crawl space, unfinished storage space (such as an unfinished bedroom over a garage), exterior porches, balconies, and decks (does not include sidewalks or exterior steps).
- Minimum Fee = \$1,200, plus \$4.50 UCC permit fee and 3% administrative fee
- This fee does not include the Fire/Code Official Fees (see below)
- This includes one zoning review, one building code review, up to 10 inspections, and U&O certificate.
- All building, driveway, mechanical, electrical and plumbing work is included in one fee.
- Required Inspections – site, footing, foundation wall prior to grout or concrete pour, foundation and pre-backfill, rough framing, rough plumbing, rough mechanical, rough electrical, service electrical, sprinkler, sanitary sewer lateral, water service lines, insulation, drywall and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Residential additions – based on the gross square foot area of all new building spaces:

- New living and accessory space at \$0.50/sf
- Minimum Fee = \$500, plus \$4.50 UCC permit fee and 3% administrative fee, This fee does not include the Fire/Code Official Fees (see below)
- This includes one zoning review, one building code review, up to 7 inspections, and U&O certificate.
- All building, driveway, mechanical, electrical, and plumbing work is included in one fee.
- Required Inspections are the same as for new residential construction listed above, as applicable.
- Any additional reviews and inspections needed = Established Inspector Rate.

Solar Panel(s) and other Alternative Energy Sources

- Flat Fee = \$250, plus \$4.50 UCC permit fee and 3% administrative fee. This includes one zoning review, one building code review up to 4 inspections, and U&O certificate.
- Required Inspections are as follows: site, footings, electrical service, rough electrical and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Balcony, Ramp, Porch or Deck – based on the gross square foot area of the new space.

- New building space at \$0.40/sf
- Minimum Fee = \$250, plus \$4.50 UCC permit fee and 3% administrative fee
- This includes one zoning review, one building code review up to 4 inspections, and U&O certificate.
- All building, driveway, mechanical, electrical, and plumbing work is included in one fee.
- Required Inspections are as follows: site, footings, framing, electrical and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Utility, Accessory or Miscellaneous Structures Over 1,000 Square Feet in Area

- New building space at \$0.40/sf
- Minimum Fee = \$350, plus \$4.50 UCC permit fee and 3% administrative fee
- This includes one zoning review, one building code review, up to 4 inspections, and U&O certificate.
- All building, driveway, mechanical, electrical, and plumbing work is included in one fee.
- Required Inspections are as follows: site, footings, rough framing, rough electrical and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Swimming Pools (above ground, on ground and in-ground), Hot Tubs, Spas and required barrier protection

- On Ground and Above-Ground - Flat Fee = \$200, plus \$4.50 UCC permit fee and 3% administrative fee
- In-Ground - Flat Fee = \$350, plus \$4.50 UCC permit fee
- Patio and Deck permits NOT included in this fee.
- This includes one zoning review, one building code review, up to 5 inspections, and U&O certificate.
- Required Inspections – site, rough electrical, bonding, rebar (in-ground) and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Alterations, Renovation, Repairs to existing residential living space – based on the square foot area of the room that the project affects.

- A permit is required when the existing structure is altered, but does not include cosmetic changes like cabinet refacing or window replacement that do not involve structural alterations.
- New building space at \$0.40/sf
- Minimum Fee = \$250, plus \$4.50 UCC permit fee and 3% administrative fee
- This includes one building code review, up to 4 inspections, and U&O certificate.
- All building, mechanical, electrical and plumbing work is included in one fee.
- Required Inspections – rough framing, rough plumbing, rough mechanical, rough electrical, insulation, drywall, and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Alterations, Renovation, Repair to existing residential non-living space (balcony, deck, patio, porch, attic, etc.) – this work also would include enclosing a porch, adding a roof/canopy to a deck, and dormers - based on the square foot area of the space that the project affects.

- All space at \$.40/sf
- Minimum Fee = \$200, plus \$4.50 UCC permit fee, and 3% administrative fee
- This includes one building code review, up to 3 inspections, and U&O certificate.
- All building, electrical, mechanical, and plumbing work is included in one fee.
- Required Inspections – footings, rough electrical, rough framing, and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Alterations, Additions or Relocation of any plumbing fixture or equipment

- Flat Fee = \$150, plus \$4.50 UCC permit fee, and 3% administrative fee
- Includes one plumbing code review, one rough, and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Addition, Alteration, or Relocation of any HVAC equipment

- Flat Fee = \$150, plus \$4.50 UCC permit fee, and 3% administrative fee
- Includes solid, liquid or gaseous fuels for stoves, water heaters, HVAC, chimney fireplaces, direct-vent fireplaces, etc.
- This includes one building code review, rough mechanical, rough electrical, and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Finished Basement – based on the square foot area being finished.

- New building space at \$0.40/sf
- Minimum Fee = \$300, plus \$4.50 UCC permit fee, and 3% administrative fee. This includes one building code review, up to 7 inspections, and U&O certificate.
- All building, mechanical, electrical and plumbing work is included in one fee.
- Required Inspections - rough framing, rough plumbing, rough mechanical, rough electrical, insulation, drywall, and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Water Service Line Repair

- This fee covers the inspection of any newly installed or repaired water service line which is connected to an existing building or structure.
- Any repairs needed within a paved township or state road requires a Road Opening Permit in addition to this permit.
- Flat Fee = \$100, plus \$4.50 UCC permit fee, and 3% administrative fee
- This permit includes a one building code review, and one inspection.
- Any additional reviews and inspections needed = Established Inspector Rate.

Sanitary Sewer Lateral Repair

- This fee covers the inspection for any newly installed or repaired sewer lateral line which is connected to an existing building or structure.
- Any repairs needed within a paved township or state road requires a Road Opening Permit in addition to this permit.
- Flat Fee = \$100, plus \$4.50 UCC permit fee, and 3% administrative fee
- This includes one building code review and one inspection.

- Any additional reviews and inspections needed = Established Inspector Rate.

Construction Trailer Permit

- Flat Fee = \$100, plus \$4.50 UCC permit fee, and 3% administrative fee
- This includes one building code review and 1 inspections.
- Any additional reviews and inspections needed = Established Inspector Rate.

Roofing – structural repairs.

- Flat Fee = \$150, plus \$4.50 UCC permit fee, and 3% administrative fee
- This includes one building review and 2 inspections – rough & final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Driveway

- Includes a new driveway, a new driveway to an existing residence or additions/alterations to existing driveway where stone and/or paving is involved. Does not include sealing a driveway or the overlaying of an existing paved driveway provided there is no expansion of the existing driveway.
- A PADOT Highway Occupancy Permit, associated review fees and any Right-of-Way opening fees are extra.
- Flat Fee = \$100, plus \$4.50 UCC permit fee, and 3% administrative fee
- A Right-of-Way permit may also apply, depending on scope of work.
- This includes one zoning review and one final inspection.
- Any additional reviews and inspections needed = Established Inspector Rate.

COMMERICAL CONSTRUCTION

New commercial construction - based on the gross square foot area of all new building space and its use group type using the following calculation:

- First 1-2,500 sf = flat fee of \$2,500, plus \$4.50 UCC permit fee, and 3% administrative fee
- Remaining area over 2,500 sf = charged at \$0.50/sf
- New building space and all accessory spaces built at the time of the new construction
 - Accessory spaces would include garage, basement (unfinished), crawl space, unfinished storage space (such as an unfinished bedroom over a garage), exterior porches, balconies, and decks (does not include sidewalks or exterior steps)
- This includes one zoning review, one building code review, up to 12 inspections, and U&O certificate.
- All building, driveway, electrical, mechanical, plumbing, fire suppression/fire detection/sprinklers, and fire alarms are included in one fee.
- Required Inspections – site, footing, foundation wall prior to grout or concrete pour, foundation and pre-backfill, rough framing, rough plumbing, rough mechanical, rough electrical, electrical service, sanitary sewer lateral, water service line, insulation, drywall, fire suppression/fire detection/sprinklers, ADA, and final.
- Special inspections are not included in the permit fee.
- Any additional reviews and inspections needed = Established Inspector Rate.

Additions to commercial structures - based on the gross square foot area of all new building space and its use-group type using the following calculation:

- First 1-1,000 sf = flat fee of \$500, plus \$4.50 UCC permit fee, and 3% administrative fee

- Remaining area over 1,000 sf = charged at \$0.50/sf
- This fee does not include the Fire/Code Official Fees (see below)
- This includes one zoning review, one building code review, up to 10 inspections, and U&O certificate.
- All building, driveway, mechanical, electrical, plumbing, and fire alarm are included in one fee.
- Required Inspections – site, footing, foundation wall prior to grout or concrete pour, foundation and pre-backfill, rough framing, rough plumbing, rough mechanical, rough electrical, electrical service, sanitary sewer lateral, water service line, insulation, drywall, fire suppression/fire detection, sprinklers, ADA, and final.
- Special inspections are not included in the permit fee.
- Any additional reviews and inspections needed = Established Inspector Rate.

Balcony, Porch, Deck, Dock or Ramp – based on the gross square foot area of all new space.

- New building space at \$0.50/sf
- Minimum Fee = \$400, plus \$4.50 UCC permit fee, and 3% administrative fee
- This includes one zoning review, one building code review, up to 3 inspections and U&O certificate.
- All building, mechanical, electrical, and plumbing work is included in one fee.
- Required Inspections – site, footing, rough framing, rough electrical, ADA, and final.
- Any additional reviews and inspections needed = \$ Established Inspector Rate.

Swimming Pools (above ground, on ground and in-ground), Hot Tubs, Spas and required barrier protection

- On Ground and Above-Ground - Flat Fee = \$300, plus \$4.50 UCC permit fee, and 3% administrative fee
- In-Ground - Flat Fee = \$450, plus \$4.50 UCC permit fee
- Patio and Deck permits NOT included in this fee.
- This includes one zoning review, one building code review, up to 5 inspections, and U&O certificate.
- Required Inspections – site, rough electrical, bonding, rebar (in-ground), and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Alterations, Renovation, Repairs to existing space – based on the net square foot area of the room that the project affects.

- A permit is required when the existing structure is altered (like a tenant fit-out).
- New building space at \$0.50/sf
- Minimum Fee = \$500, plus \$4.50 UCC permit fee, and 3% administrative fee
- This fee does not include the Fire/Code Official Fees (see below)
- This includes one building code review, up to 5 inspections, and U&O certificate.
- All building, mechanical, electrical and plumbing work is included in one fee. Required Inspections – rough framing, rough plumbing, rough mechanical, rough electrical, fire suppression/fire detection/sprinklers, ADA, insulation, drywall, and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Addition, Alteration, Relocation of HVAC equipment

- Permit Fee = 2% of the overall cost of the equipment
- Minimum Fee = \$200, plus \$4.50 UCC permit fee, and 3% administrative fee
- Includes solid, liquid or gaseous fuels for stoves, water heaters, HVAC, chimney fireplaces, direct-vent fireplaces, etc.
- All building, mechanical, electrical, and plumbing work is included in one fee.
- This includes one building code review, rough mechanical, rough electrical and final.

- Any additional reviews and inspections needed = Established Inspector Rate.

Alterations, additions or relocation of any plumbing fixture or equipment

- Permit Fee = 2% of the overall cost of the equipment.
- Minimum Fee = \$200, plus \$4.50 UCC permit fee, and 3% administrative fee
- All building, mechanical, electrical and plumbing work is included in one fee.
- Includes one plumbing code review, one rough plumbing, final inspection, and U&O certificate.
- Any additional reviews and inspections needed = Established Inspector Rate.

Water Service Line Repair

- This fee covers the inspections of any newly installed or repaired water service line which is connected to an existing building or structure.
- Any repairs needed within a paved township or state road requires a Road Opening Permit in addition to this permit.
- Flat Fee = \$100, plus \$4.50 UCC permit fee, and 3% administrative fee
- Fee includes one building code review and one inspection.
- Any additional reviews and inspections needed = Established Inspector Rate.

Sanitary Sewer Lateral Repair

- This fee covers the inspection of any newly installed or repaired sewer lateral line which is connected to an existing building or structure.
- Any repairs needed within a paved township or state road requires a Road Opening Permit in addition to this permit.
- Flat Fee = \$100, plus \$4.50 UCC permit fee, and 3% administrative fee
- This includes one building code review and one inspection.
- Any additional reviews and inspections needed = Established Inspector Rate.

Utility, Accessory or Miscellaneous Use Structures over 1000 square feet

- New building space at \$0.40/sf
- Minimum Fee = \$750, plus \$4.50 UCC permit fee, and 3% administrative fee
- This fee does not include the Fire/Code Official Fees (see below)
- This includes one zoning review, one building code review, up to 4 inspections, and U&O certificate.
- All building, driveway, mechanical, electrical, and plumbing work is included in one fee.
- Required Inspections are as follows: site, footings, rough framing, rough electrical, and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Construction Trailer Permit

- Flat Fee = \$100, plus \$4.50 UCC permit fee, and 3% administrative fee
- This includes one building code review and 2 inspections.
- Any additional reviews and inspections needed = Established Inspector Rate.

Roofing – structural repairs

- Flat Fee = \$200, plus \$4.50 UCC permit fee, and 3% administrative fee

- This includes one building review and 2 inspections – rough and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

Driveway

- Includes a new driveway, a new driveway to an existing property or additions/alterations to an existing driveway where stone and/or paving is involved. Does not include sealing a driveway or overlaying of an existing paved driveway provided there is no expansion of the existing driveway.
- A PADOT Highway Occupancy Permit, associated review fees and any Right-of-Way opening fees are extra.
- Flat Fee = \$200, and 3% administrative fee
- This includes one zoning review and one final inspection.
- A Right-of-Way permit may also apply, depending on scope of work.
- Any additional reviews and inspections needed = Established Inspector Rate.

MISCELLANEOUS CONSTRUCTION (INCLUDING GENERAL ELECTRICAL WORK)

- Permit fees not covered and which cannot be calculated on a square-foot basis shall be calculated at a rate of 2% of the total cost of construction including all material, labor and associated costs. A copy of an executed contract or agreement between the owner and contractor shall be submitted. When fee material or labor is used, the cost of such material or labor including overhead and profit shall be determined by the Township at estimated rates based on industry standards such as RS Means Building Construction Cost Data.
- Residential Minimum Fee = \$200, plus \$4.50 UCC permit fee, and 3% administrative fee Commercial Minimum Fee = \$300, plus \$4.50 UCC permit fee, and 3% administrative fee
- This fee does not include the Fire/Code Official Fees (see below)
- This includes one zoning review, one building code review, up to 3 inspections, and U&O certificate.

Any additional reviews and inspections needed = Established Inspector Rate.

SPECIAL INSPECTIONS

- For commercial projects, the special inspections listed in Chapter 17 “Structural Tests and Inspections” of the Caln Township Building Code shall be completed in accordance with the procedure set forth herein. The permit applicant may either 1) hire the Township’s appointed Engineer and reimburse the Township for the engineer’s costs by use of an escrow account with the Township; or 2) hire a third-party firm meeting which meets the special inspector criteria of the Building Code.
- The permit applicant shall submit a statement of special inspections prepared by the registered design professional in charge of the project as a condition for permit issuance. This statement shall include a complete list of materials and work requiring special inspection per the Township Building Code, the inspections to be performed and a list of individuals, agencies and firms (along with their qualifications) who shall perform the inspections.

DEMOLITION

Building Demolition – based on gross square foot area of all removed building space area using the following calculation:

- Building space at \$0.20/sf
- Minimum Fee = \$200 per building, plus \$4.50 UCC permit fee, and 3% administrative fee

- This includes one zoning review, one building code review, up to 3 inspections, and U&O certificate, including an electrical inspection to ensure that all items are properly disconnected.
- Any additional reviews and inspections needed = Established Inspector Rate.

Selective Demolition – based on net square foot area of structural and equipment items to be removed using the following calculation:

- For horizontal items such as floors, roofs, or beams, area is calculated by length multiplied by width. For vertical items such as walls, windows, doors or columns, area is calculated by height multiplied by width. For equipment or other miscellaneous items, the area is calculated by the projected floor footprint of the object in question.
- All items at \$0.10/sf Minimum Fee = \$150 per building, plus \$4.50 UCC permit fee, and 3% administrative fee
- This includes zoning review, building code review, up to 2 inspections, and U&O certificate, including an electrical inspection to ensure that all items are properly disconnected.
- Any additional reviews and inspections needed = Established Inspector Rate.

PLACEMENT OR MOVING OF STRUCTURES

- New Industrial or Manufactured Housing (single and double wide)
 - Flat Fee=\$250.00, plus \$4.50 UCC permit fee, and 3% administrative fee
- Other work required beyond utility hook-up (such as footings, foundations, pre-backfill, etc.)
 - Fee=\$0.45/sf
- Any removal of a building or structure from one lot and placement of same structure on another lot or at a new location on the same lot (for either residential or commercial).
 - One permit per structure to be moved.
 - Flat Fee = \$150, plus \$4.50 UCC permit fee, and 3% administrative fee
 - Other work required beyond utility hook-up, (such as footings, foundations, pre-backfill, etc....), fee = \$0.45/sf
- This includes one building code review, one zoning review, up to 5 inspections, and U&O certificate.
- All building, mechanical, electrical, and plumbing work is included in one fee.
- Required Inspections are as follows: site, footing, foundation, utilities, and final.
- Any additional reviews and inspections needed = Established Inspector Rate.

ABOVE GROUND OR UNDERGROUND STORAGE TANKS

- To install, remove, repair, or alter a tank or to add, modify or replace any line connected thereto.
- Residential property – Flat Fee = \$150 per tank, plus \$4.50 UCC permit fee, and 3% administrative fee
- Commercial property –Flat Fee = \$250 per tank, plus \$4.50 UCC permit fee, and 3% administrative fee
- This includes one zoning review, one building code review, 2 inspections, and U&O certificate.
- All tank work shall comply with federal, state and local requirements. The costs for obtaining other required permits, including but not limited to PA DEP or PA Fire Marshall, are not included in this permit fee.
- Any additional reviews and inspections needed = Established Inspector Rate.

FIRE PROTECTION/SUPPRESSION/FIRE ALARM SYSTEMS – not associated with a Residential or Commercial Building permit.

- Installation of sprinkler/suppression systems, fire alarms and automatic protection devices.
- Residential properties – Flat Fee = \$225, plus \$4.50 UCC permit fee, and 3% administrative fee
Commercial properties – Flat Fee = \$285, plus \$4.50 UCC permit fee, and 3% administrative fee
- This fee does not include the Fire/Code Official Fees (see below)
- Fee includes one plan review, rough inspection/testing, and final inspection/testing.
- Any additional reviews and inspections needed = Established Inspector Rate.

FAILED INSPECTIONS OR EXTRA INSPECTIONS/REVIEWS

- Also includes any extra reviews.
- In addition to any other fees paid to the Township, any failed inspection, which requires an additional inspection, shall result in an additional fee to be paid to the Township prior to the next follow-up inspection.
- In addition to any other fees paid to the Township, extra inspections and reviews and/or site visits beyond the allotted number of inspections and reviews stated on the issued building permit shall result in an additional fee to be paid to the Township prior to issuance of the U&O certificate.
- Residential = Established Inspector Rate.
- Commercial = Established Inspector Rate.

ROAD/SURFACE OPENINGS

PennDOT Highway Occupancy Permit (“HOP”)

- This permit is required by the state when work is being done in their Right-of-Way. When this work is part of a land development plan, the review fee is paid from the developer’s escrow account. This review fee is for those occasions when a PennDOT HOP is required for repairs, minor alterations, etc.
- The Township reviews the HOP application prior to submission to PADOT for a state road. The Township does not provide any inspections as they are provided by PennDOT personnel.
- Residential property – Minimum Fee = \$100 and 3% administrative fee
- Commercial property – Minimum Fee = \$200 and 3% administrative fee
- Any additional reviews and inspections needed = per Engineering Consultant costs mentioned below.

Township Street Excavation Permits

- This permit is required for work done with Township Rights-of-Way.
- An escrow amount of \$25.00 per linear foot of pavement disturbed by street excavation shall be required.
- Residential property – Minimum Fee = \$150 per surface opening and 3% administrative fee
Commercial property – Minimum Fee = \$250 per surface opening and 3% administrative fee
Utility Appurtenance (poles, guys, anchors, etc.) – Minimum Fee = \$150 and 3% administrative fee
- If, in connection with the issuance of a Right-of-Way permit or road opening, the Township retains consultants, such as, but not limited to the Township’s engineering consultant, a geotechnical engineer or structural engineer for plan reviews, analysis and/or inspections, the applicant/permittee shall reimburse the Township the hourly rate that such consultant charges to the Township in the manner and custom established by the Township.

Emergency Road Opening Permit

- Flat Fee = \$500.00 and 3% administrative fee
- In the event a road opening is performed as an emergency, the responsible party shall place the necessary Pennsylvania One Call notification and shall follow the procedures set forth in 134-21 of the Township

Ordinances. The responsible party will be charged the emergency road opening permit fee, and the final determination of an emergency situation will be made by the Township.

RESEARCH & ADMINISTRATION

Request for copies

- No charge will be made for Township's time up to 15 minutes. Time beyond 15 minutes will be considered research/administration (see below).
- A written request must be received by the Township that specifies which documents are to be copied and that the person requesting the document agrees to pay copy charges and the Township's time beyond 15 minutes prior to receiving the copies.
- Copying of Materials: As per the Township's Open Records Policy = \$0.25 per page
 - Color Copies = \$2 per page
 - 11" x 17" copies = \$1 black & white / \$3 color
- Police Reports: As per the Township's Open Records Policy = \$0.25 per page
- Copies of Act 22 Police Audio/Visual Recordings \$100
- Judicial Review of Police Requests under Act 22 \$125
- Accident Reports: As per the Township's Open Records Policy = \$15 each
- Faxes will be charged at an additional \$0.50 per 8-1/2 x 11 sheet.
- Copies will not be given, mailed or faxed to the applicant without prior receipt of payment to the Township.

Request for examination

- No charge will be made for Township's time up to 15 minutes. Time beyond 15 minutes will be considered research/administration (see below).
- A written request must be received by the Township that specifies which documents or items regarding a specific topic are to be examined and that the person requesting the document agrees to pay the Township's time beyond 15 minutes prior to examination.
- A designated Township employee shall remain in the presence of the documents at all times.

Request for information that requires research/administration

- Any time spent making copies, researching records or topic, monitoring documents, etc. after the first 15 minutes shall be charged at \$24.00 per hour. The hour shall be broken into 15-minute increments and shall be rounded to the next quarter hour interval.
- **Returned Check(s)** = \$30 each, plus applicable bank fee
- **Late payments:** Any outstanding balances (i.e., those accounts with a past due amount greater than 30 days) shall be subject to the accrual of interest at the rate of 1 ½ per month, subject to any limitations imposed by law.

TOWNSHIP PRINTED MATERIALS

- Zoning Ordinance = \$45
- Subdivision/Land Development Ordinance = \$40
- Stormwater Management Ordinance = \$40

GENERAL ZONING PERMITS

- Permits fees not mentioned in this section:
 - Residential property – Flat Fee = Established Inspector Rate and 3% administrative fee Commercial property – Flat Fee = Established Inspector Rate and 3% administrative fee Temporary Structures, excluding Fireworks Tents (see Fire/Code Official Fees below) Residential property – Flat Fee = Established Inspector Rate and 3% administrative fee Commercial property – Flat Fee = Established Inspector Rate and 3% administrative fee
- Fence/wall for residential property – Flat Fee = Established Inspector Rate and 3% administrative fee
- Fence/wall for commercial property – Flat Fee = Established Inspector Rate and 3% administrative fee
- Residential Retaining Walls (those over 4' of unbalanced fill):
 - Flat Fee = \$225 and 3% administrative fee, includes a review, 2 inspections, and a U&O
- Commercial Retaining Walls (those over 4' of unbalanced fill):
 - Flat Fee = \$380 and 3% administrative fee, includes a review, 4 inspections, and a U&O
- Utilities and miscellaneous use structures 1000 sf and under
 - Residential property – Flat Fee = Established Inspector Rate and 3% administrative fee
 - Commercial property – Flat Fee = Established Inspector Rate and 3% administrative fee
- Home Occupation – Flat Fee = \$100 and 3% administrative fee
- Residential Patio – Flat Fee = Established Inspector Rate and 3% administrative fee
- Commercial Patio – Flat Fee = Established Inspector Rate and 3% administrative fee
- Zoning Verification Letters - Flat Fee = Established Inspector Rate and 3% administrative fee

SMALL WIRELESS FACILITIES

- New Structure = \$1,000 and 3%, plus Right of Way
- Co-Located on Existing Structure = \$100 and 3%
- Consolidated Application (as per ordinance) , up to 5 = \$500 and 3%, 5 - 30 an additional \$100 per, and \$1,000 per new structure if not co-located
- Municipal Right of Way and Reoccurring Fees; \$200 per year per facility, \$70 per year per approved Municipal co-located facility per facility, and any other taxes or fees lawfully imposed

SPECIAL TEMPORARY USE

- From Zoning Ordinance Section 155-166, Section D, special temporary uses may be allowed in certain areas (e.g. car wash fundraiser).
- Flat Fee = \$100 and 3% administrative fee, includes one review and final inspection.
- This fee does not include the Fire/Code Official Fees (see below)
- Not-For-Profit organizations = fee is waived (zoning review is still performed)

SIGNS

- Fee schedule as adopted by the Western Chester County Regional UCC Appeals Board on November 28, 2016 as follows:

Partial Service	
Service Provided	Cost
5 Hearing Panel members only	\$300
The Appeals Board provides 5 Hearing panel members. The affected municipality provides the Solicitor and is responsible for all other hearing costs.	\$50/Hearing Panel member for the first hearing date, plus \$50 to cover the cost of administration. \$25/member for each additional hearing on the same matter.
Full Service by the UCC Appeals Board	
Application Type	Hearing Application Fees
Minor Application	\$2,000.00
2nd Hearing escrow	\$500.00
Major Application	\$3,000.00
2nd Hearing escrow	\$1,000.00

Minor appeals applications involve one or two-family dwellings only. Major appeals applications involve applications other than the above residential uses for commercial, institutional or industrial properties.

For Minor and Major applications proposed to be administered in their entirety by the WCCRUCAB, the hearing application fee will be deposited into an escrow fund with the Appeals Board, which covers the following items:

5 Hearing Panel members

Legal Notice & Advertisement

Court Reporter Appearance Fee

Incidental expenses

Solicitor preparation and hearing attendance

Hearing Transcript (additional cost upon request by applicant or municipality)

The escrow funds will be credited against the hearing expenses. If the expenses are less than the escrow funds, excess funds will be returned to the applicant. If the expenses exceed the escrow balance, an invoice will be created, and sent to the applicant for payment.

STORMWATER MANAGEMENT AND GRADING ORDINANCE FEES

- Application Fee
 - Simplified Stormwater Management Plan Small Projects and Grading Project Submissions = \$100 and 3% administrative fee
 - Non-Simplified Stormwater Management Plan Submission = \$150.00 and 3% administrative fee
 - Chester County Recorder of Deeds Fees = Reimbursed at cost and 3% administrative fee
 - Projects that may not involve a building permit but that do involve adding 1,000 square feet to 2,000 square feet of impervious surface shall adhere to Simplified Stormwater Management Plan Small Project Submission requirements.
- Professional Consultant Review Fees
 - Applicants are responsible for remitting payment for Township Professional Consultant fees associated with the review and inspection of stormwater management systems, pursuant to the consultant rates on file.
 - Any challenge or contest to the fees shall be processed by the applicant pursuant to Section 510(g) of the Pennsylvania Municipalities Planning Code.
 - Any professional consultant fees associated with the enforcement of the Ordinance are likewise the responsibility of the landowner.
- Financial Security- Construction
 - Except with respect to Simplified Stormwater Management Plan Submissions for Small Projects, Applicants shall post financial security in an amount determined by the Township Engineer, to secure the appropriate and timely installation and inspection of the stormwater management facilities through the completion of construction.
 - No financial security shall be required for Simplified Stormwater Management Plan Submissions for Small Projects.
- Stormwater Operation and Maintenance Fund Fee
 - With respect to non-Simplified Stormwater Management Plan submissions and facilities that are to be privately owned and maintained, the applicant shall deposit a payment to the Stormwater Operation and Maintenance Fund to financially secure the maintenance and inspection of the facilities for a period of eighteen (18) months after completion of construction.
 - The amount of the deposit shall be determined by the Township Engineer, calculated as an estimate of the periodic inspection and maintenance costs during such period.

No fee shall be required for Simplified Stormwater Management Plan Submissions for Small Projects that are to be privately owned and maintained.

○

COMMERCIAL RECYCLING PROGRAM

This fee is for the weekly collection and disposition of recyclable materials from businesses. The fee includes the distribution to the business of a sixty-five gallon recycling container. The fee is \$15 per month per container. Businesses will be billed bi-monthly (6 times per year) in the amount of \$30 (per container), the cost for two months. Payment is due by the last day of the month in which the bill is issued. After that date, a 10% penalty will be assessed. Businesses that join this program in the middle of a billing cycle will be responsible to pay for the entire cycle (two months).
