  - trees/shrubs in cutting areas
  - storm drainage run off areas
  - playground borders
- Services will be provided on a **weekly or as needed basis\***. The rate to be charged shall include time, equipment and operators required to maintain the lawns, giving neat and trim appearance.

**\*Caln Township reserves the right to not have lawn maintenance performed during drought conditions. Should these conditions occur, Caln Township will notify the Contractor by telephone, fax or email at least 48 hours prior to the regular lawn maintenance day.**
- **Supervision and Labor.** The Contractor shall provide a competent supervisor satisfactory to the Township authorized to act for the Contractor. The Contractor shall promptly remove from the work site any supervisor or employee whose work or conduct is not satisfactory to the Township. The Contractor shall enforce strict discipline and good order among the Contractor's employees. The Contractor shall exercise the necessary supervision and control to prevent Contractor's employees from violating any rules and regulations. The Township reserves the right to require the contractor remove any employee that the Township deems unfit. The contractor must first get approval from the Township before any worker that has been removed from work return to work.
- **Safety.** The successful Contractor agrees to adhere to and enforce all applicable local, state, federal, and OSHA safety regulations. Contractor shall provide safety

barriers as required, to clearly identify the working area and to prevent others from accessing the work area. This safety zone shall be sufficiently sized to prevent damage to others or existing facilities and structures. Upon completion of the work, Contractor shall remove the safety barriers from the work area.

- **Inspection.** An agent of the Township will inspect work on a regular basis and report any issues the Contractor's foreman in writing.
- **Insurance Certificates:** Every bidder must supply certificates of insurance to the Township for:
